

Building a Greener and Eco-Friendlier World

Introducing Omniconrete's

Owner/Builder Program

What We Do:

1. Assist with your plan design.
2. Estimate your Omniconrete Shell cost.
3. Prepare construction plans by our design professional (under \$0.65 / SF). *
4. Have your plans sealed by our engineer (under \$0.30 / SF). *
5. Assist you in the permitting process.
6. On site supervise the construction of your entire Omniconrete shell.
7. Help you select and hire all other sub-contractors to finish your home.
8. Assist in the FPL and US Dept of Energy "Energy Star" Certifications.
9. Assist in the Green Building Certifications.
10. Hire an outside Certified Building Contractor to help you with the entire process or you can use our 38 years experience or both.

** Prices may vary depending on complexity of the plans, # of stories, etc.*

What You Pay:

1. Patent Usage Fee - based on \$1.00 per square foot (Interior plus garage).
2. Administrative Fee of \$60.00 Per hour for a minimum of 70 hours.
3. Actual administrative costs for printing of plans, postage and supplies.
4. You pay the drafting / design professional and the engineer directly.
